I will not hold Trios Salon or my extensionist responsible for any damages or injury caused by me failing to comply with the advice given or providing any inaccurate information at any time. I agree that I will attend maintenance appointments as advised by my stylist and attend the removal appointment with my extensionist for correct removal and in the timescale advised by my extensionist. I agree to use proper aftercare products to help maintain the quality of my extensions recommended by my stylist. I understand that using unfit hair products on extensions may result in destruction of the extensions or the bonds. Improper care of installed extensions may also result in hair loss, tangling, knotting, dryness and discoloration. All haircare including shampoo, conditioner, styling aids and tools must be approved by designer for use with the brand of extension you are receiving. If I am unsatisfied with the hair, service or fitting of the extensions, I must give the extensionist and salon the opportunity to rectify any issues and follow procedures in place with Trios Salon. Removal must be carried out by the extensionist who provided the initial fitting or another extensionist at Trios Salon. I understand that failure to comply to the above exempts me from any entitlement to a refund should any issue occur. If I feel the extensions are not what was expected or not suitable, then I understand a refund will not be given.

I am 18 years or older and hereby agree to pay the above stated amounts and agree to the terms of this agreement.

By signing below, I agree to the terms of this agreement for any subsequent orders placed through Trios Salon; whether placed in person, via phone order, or by written permission via SMS text or email.
